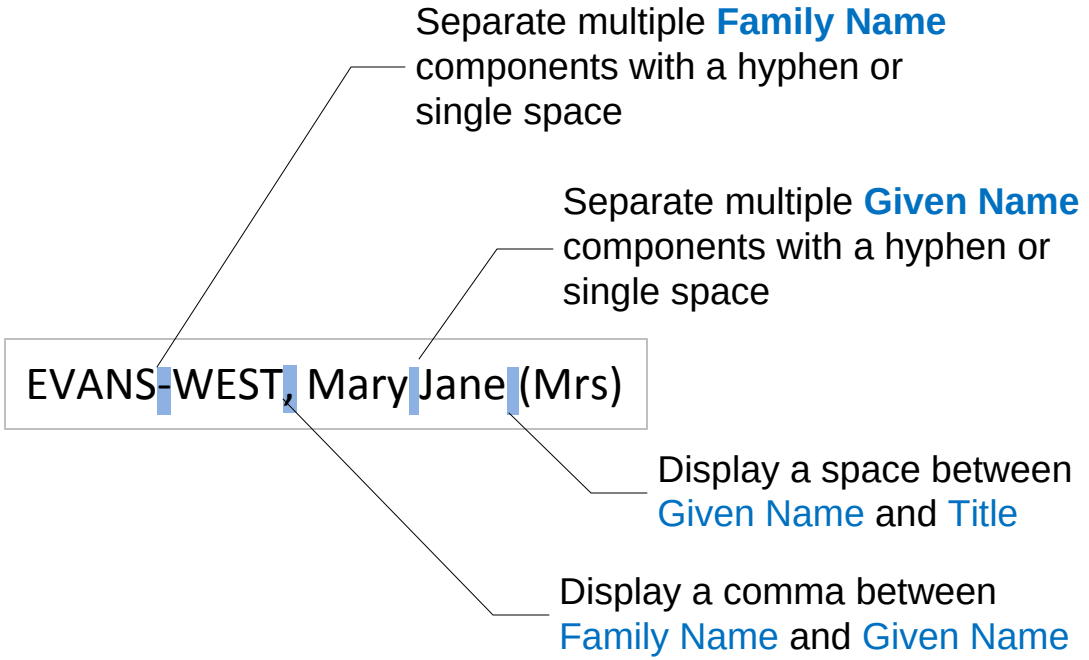
Patient Name Display Crib Sheet



Wrapping

SUBRAMANYAN, Chandrasekhar (Mr)

Support wrapping, and wrap such that name elements (or components of elements with more than one word) remain whole

Family Name in uppercase

JOHNSON, Brian (Mr)

Given Name in title case

JOHNSON, **Brian** (Mr)

Title in title case, up to **35** characters

Do not display the title with a trailing full stop

JOHNSON, Brian **(Mr)**

Display title within a single pair of parentheses

Display all name elements in full (avoiding truncation where possible) and in this order:

FAMILYNAME, Givenname (Title)

Adhere to NHS standards for field sizes when displaying these elements
